The AHVMA Office maintains an online referral directory for Member Veterinarians, which lists all contact information and modalities practiced. It is available to the public online at www.ahvma.org. If you are a Licensed Practicing Veterinarian who currently utilizes at least one holistic modality, are accepting new clients, and would like to be included in our referral directory, we request that you complete the form below. The accuracy of the information provided is your responsibility. If any of your information changes, you must submit a new form or update your profile online.

Dues must be current by April 1st each year to remain on the directory, though we allow a 30-day grace period before your listing is removed.

Please type or print CLEARLY. Fill in all information you wanted listed in the directory. Remember, this is referral information, so the contact information you give should be related to your business (in other words, don't list your home address or phone number unless you want it in the directory.). Check all of the "Practice Type" and "Modalities Used" categories that apply to you.
