YOU’RE INVITED!

AHVMA
2022 ANNUAL CONFERENCE & EXHIBITION

WEST PALM BEACH, FLORIDA

SEPTEMBER 10-13, 2022

Exploring our interconnected world
I would like to invite you to join us at the 2022 AHVMA Annual Conference & Exposition in sunny West Palm Beach, Florida. This will be AHVMA’s 38th Conference, and cause for extra celebration, this year marks AHVMA’s 40th year as an incorporated veterinary association!

Our educational sessions and events will take place at the Palm Beach Convention Center. The convention center is located next door and is connected to our host hotel the Hilton West Palm Beach. The Hilton is conveniently located just 3 miles from Palm Beach International Airport. In addition to onsite restaurants, you will find numerous shopping, entertainment and dining options all within walking distance! Please book through the AHVMA group block for best rates.

The 2022 AHVMA conference offers a vast selection of lectures and continuing education opportunities. We are extremely pleased to share that our allied groups, VBMA and AVH, have returned to AHVMA and will be presenting educational tracks on their respective modalities. The Conference Program Committee has outdone themselves this year representing a wide variety of modalities, and more hands-on labs than ever before. We have already received messages from attendees stating that year’s program offers so many wonderful options that they are struggling to know which lectures to attend.

We are very excited to share that the Council of Elders (COE) will once again present a Forum on Saturday evening. The Forum is one of the many unique opportunities found at the AHVMA Conference. The Forum is open to all attendees. Please consider joining the COE for this experience. The COE also organizes an annual restorative retreat. The Retreat is a great opportunity for practitioners to reconnect and reinvigorate ourselves. This year’s Retreat will be held before the AHVMA Conference, from September 6 -9, at Our Lady of Florida Spiritual Retreat Center. If you would like to attend this year’s retreat, please register early as space is limited.

At the time of this letter, approximately half of our exhibit space has already sold out. We are so fortunate to have so many supportive sponsors and exhibitors for this year’s conference. As many of you know, 2020 and 2021 were difficult years for many of us. However, thanks to the continued generosity and early registration of our exhibitors, members and speakers we are confident that this year’s conference will be a great success and fantastic experience.

Looking forward to seeing all of you in Palm Beach!

CYNTHIA LANKENAU, DVM, RH (AHG), MS-TCVM

She has completed Chi’s MS (TCVM); CIVT’s Western Graduate Herbal program, and Chinese herbal degree; is a registered herbalist (RH) through the American Herbal Guild, and finished David Winston’s professional and Graduate herbal training. Further Chinese Herbal training is ongoing with Dr. Evan Rabinowitz and by attending as many Jeffrey Yuen seminars as possible. She is a past president of the VBMA, Secretary/Treasurer of the ACVBM, founder of the NY CAVMA, and on the board of WATCVM. Since 1993, she has practiced in a solo 100% alternative modality mixed animal practice.
