## **Statement on Prior Publication, Concurrent Submission, Authorship, Copyright, Funding, and Conflict of Interest**

**Tentative title:**

**Date:**

### **1. Prior Publication and Concurrent Submission**

As corresponding author, I affirm that neither the manuscript nor any of its parts, including tables and figures, has been published or submitted for publication in any compiled printed (e.g., journals, symposia, proceedings, newsletters, and books) or electronic (e.g., Web sites and CD-ROMs) format and that neither the manuscript nor any of its parts will be published or submitted for publication elsewhere while it is under consideration by the *AHVMA Journal*. Further, I understand that publication of an abstract of the manuscript that is less than 250 words long does not violate this policy, but that publication of longer abstracts may preclude publication of the manuscript. I have included with this submission copies of any abstracts of the manuscript that have been published, submitted for publication, or are expected to be submitted for publication.

### **2. Authorship**

As corresponding author, I affirm that each author listed has contributed to the intellectual content of the manuscript, has participated sufficiently to take public responsibility for interpretations and conclusions given in the work, has approved the submitted version, and will be given the opportunity to approve any revisions.
